

CSI & ACW JOINT MEETING THURSDAY, MAY 8TH, 2014 MPC HISTORIC ZONING

CSI WILL JOIN ACW FOR THE ACW MAY MEMBERSHIP MEETING...

ON THURSDAY, MAY 8, 2014,

This is a first time event for these two premier construction industry organizations and you don't want to miss it! It is an opportunity to see some familiar faces and to make some new friends.

To top off an excellent meal and the good fellowship time, we also have a very special guest Speaker, Kaye Graybeal, the Knoxville-Knox Historic Preservation Planner. Kaye joined the Metropolitan Planning Commission's team in January 2012. She is a native of North Carolina with family roots in the Blue Ridge

Mountains. Kay received a Master's Degree in Environmental Design with emphasis in Historic Preservation from UNC-Greensboro. During the fourteen years prior to moving to Knoxville, she served as Historic Preservation Planner, Planning Manager, and Development Services Director for the City of Wilmington, NC. Prior to her work in local government, Kaye worked as a designer for private architectural firms in NC and Washington, DC over a period of fifteen years. She is a member of the American Institute of Certified Planners and has been a member of the National Trust for Historic Preservation for 35 years.
